Sir:

The Office has received your letter of August 22, 1912, forwarding a census of the Crow Creek Indians.

In making out a census of the Indians under your charge hereafter, you are requested to use blank form 5-128, a supply of which will be sent you on requisition.

UNITED STATES INDIAN SERVICE

Crow Creek Indian School,

Crow Creek, S. D. Aug. 22, 1912.

Commissioner of Indian Affairs,

Washington, D. C.

Sir:

I have the honor to enclose herewith pages Nos. 22 to 51 inclusive, which I wish to submit in place of pages similarly numbered, forwarded with the 1912 Census Roll of Crow Creek Indians.

In making the Census Roll, the names of Seeking Land, One They In, and Benedict Seeking Land, members of one family and Nos. 697 to 699 inclusive on the corrected sheets, were unintentionally omitted. The number -788- was also omitted on the Roll first submitted. The Total number of Indians on the Roll was 970. As number 788 was omitted the total number should have been 969, and the three names that were omitted bring the total to 972.

In making the Statistical Report, the number of births and deaths was received from the physician, which, according to his report was 35 births and 58 deaths, making the excess of deaths over births 23. Later, upon an examination of the agency records it was found that there were 36 births and 57 deaths, which would make the excess of deaths over births 21. The Census Roll for 1911 showed a total of

-2-

993 Indians on the Crow Creek Reservation. The excess of deaths over births being 21, the number of Indians on the Crow Creek Indian Reservation, for 1912 should be 972, which is in accord with the number on the corrected Census Roll.

Crow Creek Indian School,

Crow Creek, S. D., Aug. 22, 1912.

Commissioner of Indian Affairs,

Washington, D. C.

Sir:

I have the honor to enclose herewith pages Nos. 22 to 31 inclusive, which I wish to submit in place of pages similarly numbered, forwarded with the 1912 Census Roll of Crow Creek Indians.

In making the Census Roll, the names of Seeking Land, One They In, and Benedict Seeking Land, members of one family and Nos. 697 to 699 inclusive on the corrected sheets, were unintentionally omitted. The number -788- was also omitted on the Roll first submitted. The Total number of Indians on the Roll was 970. As number 788 was omitted the total number should have been 969, and the three names that were omitted bring the total to 972.

In making the Statistical Report, the number of births and deaths was received from the physician, which, according to his report was 35 births and 58 deaths, making the excess of deaths over births 23. Later, upon an examination of the agency records it was found that there were 36 births and 57 deaths, which would make the excess of deaths over births 21. The Census Roll for 1911 showed a total of

993 Indians on the Crow Creek Reservation. The excess of deaths over births being 21, the number of Indians on the Crow Creek Indian Reservation, for 1912 should be 972, which is in accord with the number on the corrected census Roll.

The discovery of these errors necessitates the following changes in the Statistical Report for 1912.

Page 5:

Question 1; Population of your jurisdiction, etc.
(a) Males, 461 instead of 459.
(c) Total, 972, instead of 970.

Question 3; Number of births, etc.
36 instead of 35.

DEPARTMENT OF THE INTERIOR

UNITED STATES INDIAN SERVICE

Crow Creek Indian Agency,
Crow Creek, S.D.

July 20, 1916.

The Honorable
The Commissioner of Indian Affairs
Washington

Sir:

I have to transmit herewith copy of my annual census of the Crow Creek Indians, dated June 30, 1916. I am taking the liberty of sending the Office a carbon copy of same. I have retained the original copy because this office uses same so much that a carbon copy would become soiled and defaced and the typewriting would rub out. Entries are made every day on the copy in this office and it is much handled. I hope the Office will permit me to retain the original typewritten copy of same and that the carbon herewith will be acceptable.

It will no doubt be noted that this year I have had added to the names the allotment numbers and have put on the roll, without numbers, the names of husbands and wives, and also children who are not duly enrolled at Crow Creek. This is of great convenience in determining identity.

Respectfully,

[Signature]
Superintendent.
